Superintendent's Message

Roundup Staff
Las Vegas High School

Congratulations to the staff of the Roundup for 1950-1951. You have surpassed any previous editions of our yearbook and that is indeed an outstanding achievement as we all thought last year that the 1950 Roundup was unbeatable.

I want to thank each and every one who has made this outstanding publication a reality. You may not be publicly acclaimed for your service to V.H.S. but your unselfish cooperation should give each of you the inner satisfaction of a job well done, and you may be certain that you have added to the spirit and the history of V.H.S.

Cordially yours,

W. J. Robertson

This, our fifth volume of the Roundup, is dedicated to "Doc" Watson, who works hard right in the middle of things to see that we have the equipment ready when we have fun in '51 — and in every year.
